

Nature-Cote™ Avocado Wax

Vegan certified coating, made
from food-based ingredients

From food, for food—Nature-Cote™ Avocado Wax helps protect quality and manage moisture loss. Its formulation maintains a clean, attractive finish so avocados keep their natural look from packing to display.

Engineered for pack house conditions, Nature-Cote™ Avocado sets quickly to support throughput and helps reduce shrinkage through transport and storage. It integrates smoothly into existing programs, delivers consistent results in domestic and export markets, and showcases color and clarity on arrival.

Product features and benefits

- Excellent in dehydration control
- Does not interfere with natural ripening or pre-conditioning
- Reduces incidence of gray pulp
- Minimizes shrinkage appearance
- Easy to apply
- Highly versatile over a wide range of climates
- Dries to a clear finish
